ABOUT BHARATIYA SHIKSHAN MANDAL

Bharatiya Shikshan Mandal was founded on the auspicious day of Rama Navami in the year 1969 is working with the objective of national resurgence in the field of education. It aims at evolving National Education Policy, Curriculum, System & Methodology based on integral Bharatiya vision, rooted in its eternal ethos and centered at overall development of the country. A number of educational, Intellectual and experimental activities are being conducted in all parts of the country both at school and higher education levels to actualize this noble mission of reestablishing Bharatiya Education System.

ABOUT THE WEBINAR

New education policy 2020 has been launched with aim of Making “India a global knowledge superpower” and fundamentally attached with the Indian culture and Values. It is quite a short document of about 66 pages but its comprehensiveness on each aspects of education elaborates broadly about all dimensions of Education System. The new national education policy proves to be a boon economically, intellectually and blending in professionally for teachers with an ambitious goal to impart Quality and Competitive Education for All. NEP 2020 also focused on empowering the teachers by giving them autonomy in selecting appropriate pedagogy and encourages them to ensure socio emotional learning of their students.

Today, in such an economic scenario, Management education is in great demand especially after the change towards liberalization, globalization, and privatization. There are several challenges of management education which require change in character and structure of management education, integration of management education with co-operates structure, up gradation of curriculum and course contain, designing of different programs for executives, maintenance of an effective and effective system and emphases on research, there are also challenges in terms of Indian business schools, changing mentality of students, lack of qualified facilities, Issues of autonomy and accountability of institutions, Relevance to the need of organizations other than mainstream. And to overcome these challenges can be considered as future prospects of management as the Indian economy is booming with a very high rate there is an extreme need of Managers who can apply their knowledge and can break the complexity of problems. This National webinar aims to bring together leading academician, researchers,, research scholars to exchange and share their experiences and research results on the theme of the webinar. Certainly, suggestions and recommendation of this Webinar will have academic importance in upcoming time.
